Driving Accessibility through Affordable Education

Edgewood University believes that access to quality education should never be out of reach. With nearly a century of educational excellence, we've consistently evolved to meet the needs of our students. To further our mission, we're introducing a flexible "pay per month" model, allowing you to finance your future without the stress of upfront costs. With this tailored plan, you can now spread your tuition over your program's duration.

It's your education, your pace, your choice. Because at Edgewood University, success is about making it work for you.

Message from the Provost

The Doctorate of Business Administration program at Edgewood University builds on our great history of educating leaders for the business world. Our alumni tell us that their Edgewood University business degrees prepared them for the challenges of the business world through the professionally relevant experiences offered in our programs. Edgewood University members bring real world experience into the DBA courses, and their commitment to student success gives our students a distinctive advantage in their careers. Our DBA program offers a high quality, academically and professionally rigorous education that helps Edgewood University graduates build successful careers in business.

Dr. William Mangan

Provost and Vice President for Academic Affairs
Edgewood University

About upGrad

upGrad is a leading online education platform empowering professionals to reach their full potential through flexible, engaging learning experiences. We partner with top global universities, including Golden Gate University, Edgewood University, ESGI School of Management Paris, Liverpool Business School, Paris School of Business, Liverpool John Moores University, Northeastern University, among others to offer a wide range of career-focused programs.

As professionals juggle demanding careers and personal commitments, traditional education often feels out of reach. upGrad bridges this gap by making high-quality learning accessible and practical, so education becomes an enabler, not a hindrance.

To date, upGrad has delivered over 20 million hours of learning, empowering thousands of learners worldwide with the knowledge and skills to advance their careers.

The upGrad Advantage:

Six leadership outcomes onl we deliver

We provide a full range of post-doctoral services. Much like a concierge, we work tirelessly in the background so you can focus on your doctoral experience, while we open up a bouquet of stellar outcomes for you.

1. Boardroom Consultant

Earn a revered PwC Directorship and Board Advisory Certification, and be an officially recognised, force-to-reckon-with, in the eyes of board nomination committees and executive search firms. Signal your fluency across board-level matters to the world of corporate governance. From risk and compliance, to mergers and acquisitions, to environmental and societal governance.

2. Published Author

Transform your doctoral dissertation into a book or in a journal, and position yourself as a published thought leader in your domain. Become a top voice even in the real world. Be quoted by trade media, and be invited to panels at conferences. Learn storytelling from published authors. Turn your “someday I’ll write a book about this” into today!

3. Industry Professor

Give back your entire career's worth of wisdom, and inspire the leaders of tomorrow. Teach as an industry expert, at top universities, by seamlessly pivoting to academia without stepping away from your professional role. Cement your legacy as an icon who not only led the industry but inspired the next generation.

4. Product Creator

Get a clear, practical path from tech leaders who've turned ideas into products. Productise your ideas and turn concepts into business growth. Spot opportunities to solve real challenges using emerging tech! Design winning strategies, prototype and pilot quickly with no-code tools to earn leadership buy-in. Track ROI, create impact!

5. Patented Innovator

Protect the innovations born out of your doctoral research, with our network of top tier law firms specialising in Intellectual Property. From thorough patentability analysis to defining a unique defensible space, to drafting claims using precise legal language to build an ironclad IP that transforms your brilliance into bankable value.

The upGrad advantage for Patent Grants

6. Funded Entrepreneur

Get direct mentorship from established VCs and Founders. Master the art of pitching your business via Silicon Valley storytelling and business models made to withstand the toughest of investor scrutiny. Then culminate your journey at our exclusive VC Symposium Day where you'll get to pitch to real investors with chequebooks in hand!

About the Partnership

To provide quality U.S. education to learners across the globe, Edgewood University has partnered with upGrad, a global higher education technology provider. Through this partnership, learners from around the world have the opportunity to learn from Edgewood University faculty. The programs taken by international students are delivered 100% online and hold the same accreditation and rigorous standards as the courses offered on Edgewood University campus and to domestic online learners. Within the partnership, upGrad serves as the point of contact for international student admissions, advising, enrollment, and payment. Most notably, Edgewood University has taken action to make its courses accessible to all students by implementing a scholarship program for international students.

What Makes Conducting Research in this Program Unique?

This program provides learners with the opportunity to work on Applied Doctoral Research (ADR). The ADR takes traditional dissertations a step further by ensuring that the students are building their research for business impact. Students can collaborate with industry experts, along with their dissertation supervisors. This enables them to develop solutions for real business challenges and build actionable execution plans, gaining leadership-ready skills valued by employers.

* This timeline is subject to the quality of the submissions and may get extended based on the advice of the learners' dissertation supervisors.

- Managerial Economics

Applied Doctoral Research (ADR)

The culmination of your doctoral program, the Applied Doctoral Research (ADR) phase, provides you with the opportunity to apply your acquired knowledge and skills to a real-world research project. The key milestones of the applied doctoral research phase are given below.

Applied Doctoral Research Courses (32 weeks)

- Applied Doctoral Research Proposal - I
- Applied Doctoral Research Proposal - II
- Applied Doctoral Research: Findings and Conclusions
- Applied Doctoral Research: Defense and Completion

Meet the Faculty

Dr. Victoria Palmisano

Dr. Victoria M. Palmisano, has a PhD in Educational Leadership, an MBA, and a Masters in Legal Studies. She specializes in small business management and Intellectual Property and is the Associate Professor at Edgewood University.

Dr. Leigh Maxwell

Dr. Leigh Maxwell, with a PhD from Ohio State, is an Edgewood University associate professor teaching Communication Studies. Her research focuses on improving workplace communication, emphasizing ethics, fairness, and compassion.

Dr. Ken Kavajecz

Finance professor at Edgewood University since 2019, with over 25 years in higher education and former roles at UW-Madison and Wharton. Founded Phoenix Rising Advisory.

PwC Directorship & Board Advisory Certificate

The Directorship & Board Advisory Certification is a specialized executive program designed for professionals aiming to transition into board-level roles. Delivered in collaboration with PwC Academy, this immersive program cultivates strategic thinking, ethical governance fluency, and boardroom confidence through live sessions, real-world simulations, and expert-led masterclasses.

The program comprises approximately 20 hours of live lectures, conducted through masterclasses led by PwC experts. The batch schedule will be communicated to learners well in advance.

Program Outcomes

Practical Board Skills:

Develop boardroom fluency, strategic thinking, and key frameworks necessary for effective boardroom preparedness.

Stakeholder Influence:

Learn how to manage stakeholder expectations, enhance investor relations, and ensure strategic alignment with organizational vision and values.

Governance & Compliance:

Gain deep insights into Indian and global corporate governance standards, legal responsibilities, ethical conduct, and risk mitigation strategies.

Curriculum Overview

An Overview of the Modern Board

Introduction to the Board of Directors and modern boardroom dynamics, covering roles and responsibilities, legal obligations, disqualifications, powers, ethical frameworks, “officer in default,” D&O insurance, and other safeguards.

Corporate Governance, Ethics & Regulatory Frameworks

Explore global and Indian governance standards, best practices, participation frameworks, taxonomy, transparency, integrity, and ESG foundations.

Finance & Risk for Board Oversight

Understand strategic finance and risk, including directors’ responsibilities, red flags in financials, audit committees, internal controls, and related obligations.

Digital, Cyber & M&A Readiness

Examine the board’s role in digital transformation, AI, cybersecurity, and M&A evaluation, including regulator perspectives.

Independent Directors – Risks and Rewards

Learn about regulatory requirements for Independent Directors, enrollment in the Independent Director Databank, qualifications and disqualifications, code of conduct, related party transactions, and director responsibilities.

Stakeholder Engagement & Investor Relations

Master stakeholder mapping, effective communication, board dynamics, decision-making processes, investor expectations, and strategic engagement.

Final Project: Board Simulation & Readiness Presentation

A hands-on simulation project to demonstrate boardroom readiness and application of program learnings.

*(Topics are indicative and could be subject to minor changes)

Faculty

Manisha Narang

Manisha Narang, Subject Matter Expert, is a seasoned Company Secretary with over 20 years of expertise in corporate governance, regulatory compliance, board advisory, and cross border business structuring. She specializes in guiding boards, managing risk, enabling regulatory clarity, and supporting M&A, NBFC licensing, and global market entry for leading organizations.

Shekhar Chopra

Shekhar Chopra, Subject Matter Expert, is a qualified Company Secretary with 15+ years of experience in corporate governance, M&A, board advisory, and regulatory compliance. He has led governance frameworks, board evaluations, risk management, and shareholder engagement across top firms including Deloitte, EY, and SRL Diagnostics.

*List of all faculty teaching in the PwC program will be shared with the students before the start of the sessions

Where Research Meets Recognition: Patented Innovations by Our Learner.

At upGrad, we believe in cultivating not just academic research but real-world breakthroughs.

Why This Is Significant for You:

Academic to Applied: Move your research from theory to patent—demonstrating tangible industry relevance.

Mentorship for Impact: Benefit from guidance by faculty and industry experts who support you in publishing and protecting your intellectual property.

Inspiring Legacy: Your work could become the next highlighted patented innovation on our platform.

Dr. Venugopal Padmanabha, one of our DBA learners, successfully filed a patent on **“A Method for Impacting Leadership Style on Workforce Productivity in IT Captive Centers,”** published in the Indian Patent Journal (Feb 2024). The invention explores how leadership styles directly influence workforce efficiency in IT captive centers.
