Introduction

The Bachelor of Arts (B.A.) through online mode is one of the most sought Bachelor's Degree Programmes after 10+2 / Senior Secondary/Intermediate Examination. The Bachelor of Arts is a comprehensive Programme focusing on holistic development of students in liberal education. It is intended to give graduate the greatest flexibility and choice in future study or career.

The B.A. (Online) has been started to provide the ground knowledge for producing the competent professionals through inclusion of capacity building components in the mainstream programme. The B.A. is one of the most popular educational degree courses in India and abroad. This is the basic educational degree programme which is a mandatory qualification to appear in different graduate level competitive examinations like civil services, banking sector along with other national level examinations.

The best part of the programme is that the students of any stream after 10+ 2 can get admission in B.A. (Online). The B.A. (Online) includes the following subjects: English, History, Sociology, Political Science and Economics. It allows the candidates to enter into diverse academic and professional fields as well as higher education. This degree enables the students to acquire basic competencies and skills that are needed to compete in competitive examinations and pursue higher education in the respective course of study. It also imbibes leadership qualities, decision making ability, and oral and written communication skills. ICT mediated teaching learning practices to ensure parity in terms of academic rigor and quality of instructions with regular B.A. offered by the university.

Programme's Mission and Objectives

Mission:

- To acquire basic understanding of the course of study with its insight, essence and application in real life situations.
- To learn and use effective communication skills and strategies through oral, written and digital presentations.
- To develop critical thinking on issues related to courses of study based on the contents of study in the subject.

Objectives:

The main objective of B.A. (Online) at MU is to provide a course of study by which students study and experience the basic concepts, thoughts, principles and theories of respective disciplines including an in-depth investigation into respective course of study, structure and phenomena inculcating core values of liberal education in students

Instructional Design

The program is divided into six semesters and minimum credit requirement is 120 to get BBA degree through OL mode from Mangalayatan University. Minimum time period for acquiring BBA degree will be three years and maximum time (extended) period is six years.
