Introduction

Master of Commerce (M.Com) through online mode with emphasis on Finance, Marketing and Human Resources. The basic objectives of the program are to prepare the students with necessary conceptual, entrepreneurial and analytical skills required for handling modern and technical business operations at both national and international levels. M.Com. graduates are typically employed in fields related to their degree, such as financial services, marketing and project management; graduates also often work in general management and business consulting.

Programme's Mission and Objectives

Mission:

To impart quality education to meet national and global challenges, blend theoretical knowledge with practical skills and pursue higher education, promote the use of new technologies in teaching and research, inculcate right values among students and encouraging promoting leadership qualities and making them socially sensitive citizens.

Objectives:

The main objective of OL - M. Com Programme is to provide an opportunity to get a M.Com degree to those who find it too difficult or even impossible to pursue regular M.Com course at a University either due to their job commitments or certain other circumstances and help the learners, study at their own pace, and create an additional avenue of self-employment and also to benefit various financial/commercial/business institutions by providing them with suitable qualified persons.
